PRESIDENTS MESSAGE

While considering a project for the coming year, it became apparent that the Auxiliary was about to loose some scholarships that have been in place for several years. I believe the scholarships that are offered through the NRLCA Auxiliary are an important part of what we do.

The expense of a college education can be overwhelming, The Scholarships we are able to offer can help put a dent in those expenses.

I chose the name PNO Scholarships to honor all the Past National Officers. These PNO's include all prior NRLCA, Auxiliary as well as Junior Officers.
