

NRLCA
Armed Forces Veterans Club

Our plans for 2020 have run into the Covid-19 roadblock (like many others). However, we have regrouped and will continue our scholarship program for 2020 but are making some slight changes to our fundraising.

*****BREAKING NEWS*****

Your donations to the
NRLCA-Armed Forces Veterans Club
are **NOW** tax-deductible

Each year at National Convention, a drawing of awards is conducted and scholarships are awarded based upon how much money is raised. Since there will be NO National Convention, we are going “UN”Conventional and seeking free-will donations by mail. We will accept any amount – if you wish to deduct for tax purposes, please request a receipt for your donation.

Reminder, membership renewals for the NRLCA-AFVC is underway now. Watch your mail for a notification from your state’s club. NOT A MEMBER? No problem! You may join for just \$5 for the first year*. All veterans, non-veteran supporters and auxiliary members are eligible. Show your thanks to our rural carrier veterans by joining.

Are you planning to participate in higher education learning in the next year? Members, children and/or grandchildren of NRLCA-AFVC members are eligible to apply for a scholarship. Scholarships may be used for class fees or books** and are \$150 awards. Applicants may be eligible for state club awards also.

Check out our website at: <https://nrlcaafvc.wordpress.com/>

*National Dues amount for members who join. Annual renewal amounts will be at your home state’s amount (if chartered) or \$3.

**Proof of fees/book purchase is required.
