

RRECS 4241-A PRINTING AND DISTRIBUTION

The PS Form 4241-A, Rural Route Evaluation, contains a summary of the data utilized to determine a route evaluation.

On Saturday, September 30, 2023 the PS Form 4241A will be available and must be printed in RMSS.

Print all 3 pages of PS Form 4241A for each route in unit

- Postmaster copy (maintained by management in the local office)
- Carrier copy
- Carrier's Route Book copy filed at the carrier case

The PS Form 4241A must be provided to the carrier in order to communicate the new RRECS evaluation for the route.

Ensure the carrier is immediately made aware of schedule changes

- Classifications: K, J, or H

In addition to the PS Form 4241A, you must also provide carrier a copy of the 4241A RRECS Cheatsheet

If carrier request copy of their 4241M, you must provide a copy which can also be found in RMSS
