

# **RULES FOR OBSERVERS**

## **In the Election of Officers & National Delegates for the WIRLCA**

1. Each observer should identify himself/herself with the election officials, sign the observer log, and indicate which candidate he or she represents. An observer should notify election officials if he or she is scheduled to be replaced by another observer. A candidate may select themselves or some other person to be their designated observer.
2. While present during the collection of the voted ballots or in the tally area, each observer should wear a badge provided by election officials clearly marked "Observer" if requested to do so.
3. Observers, accompanied by election officials, may inspect the area in which the ballots are to be tabulated prior to the start of the voted ballot verification and tabulation process.
4. Observers must not campaign in the ballot collection or tabulation area in any way. They may not wear buttons or other campaign apparel, distribute campaign material, or engage in conversations with voters about candidates or the election campaign.
5. Observers should remain in the areas approved by election officials where they are able to see the voter tabulation process.
6. Observers may not roam around the tabulation area or disrupt the tabulation process in any way. They should direct any questions or report any problems directly to election officials as soon as possible so that any necessary corrective action can be taken.
7. Observers may challenge the eligibility of any voter by clearly specifying the basis for the objection to election officials. (For example, "I challenge the eligibility of Voter X because he is a new employee who has not yet paid dues.")
8. During the tally of ballots, observers may challenge the accuracy of the way votes are read from marked ballots and recorded on tally sheets and should state any objection to election officials as soon as possible so that any necessary corrective action can be taken.
9. Observers may not touch or handle ballots at any time or interfere with the tally process.
10. Prior to the start of the ballot verification and tally, the election officials will review the counting procedures with observers including voiding rules.
11. Observers will be requested to sign a Ballot Tally Certification at the end of the ballot tally process.
12. Regarding Rule #3 the election officials will meet with the observers to discuss the verification and tally rules as follows.
